EXPERIENCE

UI Developer

Jul. 2022 – Sep. 2025

Reality Premedia Services

Pune, India

- Built responsive, pixel-perfect user interfaces with HTML5, CSS3, SCSS and JavaScript, ensuring cross-device compatibility and WCAG 2.1 accessibility compliance
- Reduced page load times by up to 40% through lazy loading, code splitting and asset optimization
- Translated UX wireframes and design specifications into maintainable code; maintained design systems and reusable component libraries
- Delivered features iteratively with product and UX teams in Agile/Scrum, including testing and refinement of UI interaction flows
- Managed Git-based version control workflows across distributed development teams

IT Intern

Jun. 2021 – Dec. 2021

Marks Technosystems Pvt Ltd

Pune, India

- Supported front-end updates, troubleshooting and feature deployment in production environments
- Participated in QA testing cycles for new features and system updates
- Handled system installations, workstation configuration and IT support; documented procedures in a knowledge base
